

INTERNATIONAL PHD PROGRAMME

Genome Stability, Gene Regulation & RNA Biology

Mainz, Germany

APPLY BY
8 NOV

IPP Student Styliani Eirini Kanta, Barau group

With Projects On

- + DNA Repair
- + R-Loops
- + Proteostasis
- + Epigenetics
- + Computational Biology

Your Benefits

- + Cutting-edge research
- + International working environment
- + Advanced training & career development
- + Fully funded positions
