

## Dr Elmar Uherek

Climate Protection Manager  
Office of Environment and Climate Protection, Rüsselsheim am Main

# “Rethinking our daily energy consumption”

Both resource scarcity and global warming are reasons to consider the responsible use of energy in our everyday lives. This seminar will provide practical tips and tricks on how you can change habits, save energy and reduce emissions. Not only good for our planet but also for your wallet!

**11 January 2023, 12:00**

**Followed by questions and discussion in  
IMB's Science Lounge, 13:00**

The seminar will take place in IMB's Seminar Room  
All are welcome
