

James Connelly

CEO, My Green Lab

My Green Lab and the Future of Sustainable Science

James Connelly, the CEO of My Green Lab (MGL), will share his career spanning over a decade of sustainability advocacy all over the world and the history of the Green Lab Movement. He will then share practical solutions for how scientists can get engaged with My Green Lab through their programs including MGL's internationally recognised Green Lab Certification, the ACT label for sustainable lab products, and the worldwide Green Lab Ambassador network.

15 October, 4 pm
(CEST/UTC+2)

The seminar will take place online via Zoom.

Please register [here](#) to participate.
