How to fill in the ISS online form -
Step by step procedure

Before you begin, please consider the two following potential sources of errors/problems:

1) The calendar tool

The online form uses an interactive calendar tool. By clicking twice on the “month-year” field of the calendar, you will be able to choose the year, and after that you can select the month and day. Please note that dates will be displayed in day - month - year format.

2) Issues with your browser or internet connection

Individual settings of your Internet browser can cause problems with interactive forms. If you have technical problems to fill the form or if content is lost when you go to the next page, we strongly recommend changing the browser or the computer.

Please notice that:

- Once you have registered, your referees cannot be changed
- Once submitted, the application cannot be changed
