cloning

Exhibition

that's
GOOD
science!

**Where: Institute of Molecular
Biology (IMB) in Mainz - Foyer**

**When: Wednesday, 24.08.2022,
9am - 4pm**

Dear Customers,

*we like to invite you to our booths in the foyer of the
IMB for our mini exhibition on 24th of August for
information about Takara Bio and Macherey-Nagel.
We are happy to present news, discuss your interests
and take your feedback.*

Yours sincerely,

Sascha Deppermann & Joachim Mörbel

Find out more about our latest products:

Takara Bio: *Meet us to get your exhibition discount quote!*

- SMART-Seq PLUS Kits
- TaKaRa Ex Premier DNA Polymerase (Dye Plus)
- Takara IVTpro mRNA Synthesis System
- AAVpro Cell & Sup. Purification Kit Maxi (All Serotypes)

Machery Nagel:

- New cfDNA Kits
- New Kits for Microbiome Research
- NucleoMag NGS Clean-up and Size Select Kit
